

# Capital Campaign Overview

## *Building to Serve*

For over 100 years, Holmen Lutheran Church has answered God's call to be faithful.

### **Major Structural Upgrades:**

1953 - Church building was destroyed by fire

1955 - Current building finished

1967 - Education wing added

1998 - Balcony was added

More than 50 years have passed since the last expansion of our main church structure, and 20 years have passed since the addition of the balcony. Holmen Lutheran finds that we are trying to meet the needs of a 21st century community with a facility from the mid-1900s.

If we are to continue being a welcoming, hospitable presence in Holmen, our facility needs must be addressed.

## *Building to Serve*

Led by the Holy Spirit, our appeal has evolved out of the spirit, energy, and strength of our congregation! The following initiatives will help guide Holmen Lutheran Church into the future. Your gifts and prayers are essential to God's mission here.

- **Welcome & Hospitality**—At Holmen Lutheran we want everyone, visitor and member alike, to experience the welcome and hospitality of Christ in all we do.
- **Outreach & Care**—Reaching out with Christ's love & compassion is central to who we are. Our building expansion and renovation will provide more usable space which facilitates an experience of warmth and hospitality that will be matched by our gifts of Christian Outreach and Care.
- **Faith Discovery**—is a journey. Through prayer, conversation, exploration, being mindful of best practices, and being led by the Holy Spirit, we will be deliberate. We are a faith community that brings the fullness of joy, compassion, and grace out into this world that God so loves.

**We are called to follow  
where God leads!**

**Together we will impact  
lives for Jesus sake!**

*A Place to Gather*

## *Building to Serve*

As we share God's Word and Sacraments in a worship life that is the heart of all we do, we also share our gifts of ability, time, and money to support our missions of worshiping together and reaching out with God's love into the community and the world.

We invite you to be a part of our goal to raise \$1.4 million for the narthex expansion; a place for exceptional hospitality which will be an easily accessible gathering space.

### **Building to Serve...**

With your support we will:

- **Expand the Narthex** to provide more space for hospitality and fellowship and overflow seating.
- **Renovate the north entry** to provide a more welcoming environment, a better passenger dropoff, and an enlarged food pantry.
- **Move the administrative office** to immediately greet visitors and allow for greater security for staff.

### **...A Place to Gather**

**Holmen Lutheran Church has a shortage of space. Our ability to effectively serve the needs of our congregation and the Holmen community requires space we simply do not have.**

## Questions & Answers

### **Q: When would we be likely to begin building?**

**A:** The earliest that would happen would be late this summer to be completed by the end of 2019. If we need more time to gather enough finances we would start about mid- April of 2020 to be completed by the Fall of 2020.

### **Q: When do I pledge my support?**

**A:** Please prayerfully consider your partnership and support and return your pledge card before or during our Celebration Weekend on March 31st. You will receive a Response Packet to help you respond.

### **Q: Will this affect my regular giving?**

**A:** Please do not change your regular giving. All of Holmen's ongoing ministry is crucial! Contributions to the renovation project should be above and beyond your regular giving.

### **Q: How much should I give?**

**A:** Every gift is treasured and is received with thanks. We are a community with a variety of means, time and treasure, and are asked to give according our ability. We understand that this gift or three-year pledge will be a sacrificial one. For that we give thanks!

## Building to Serve

It is time to prayerfully consider what special gifts you can make in the next 3 years to improve our church home for welcoming all to worship and God's word. Reaching our three-year Celebration Goal will take the support of every member and friend of Holmen Lutheran Church.

Our Goal is to raise \$1.4 million dollars over the next 3 years. You can give more than you think by giving it over a period of time. For example:

Weekly	Monthly	Annually	Three Year Total
\$500	\$2,167	\$26,000	\$78,000
\$250	\$1,083	\$13,000	\$39,000
\$150	\$650	\$7,800	\$23,400
\$100	\$433	\$5,200	\$15,600
\$75	\$325	\$3,900	\$11,700
\$50	\$217	\$2,600	\$7,800
\$25	\$108	\$1,300	\$3,900

God is calling us to build so that we can better serve.....to build so that we have a more appropriate place to gather.....to build so that we have a place where facility and ministry meet.

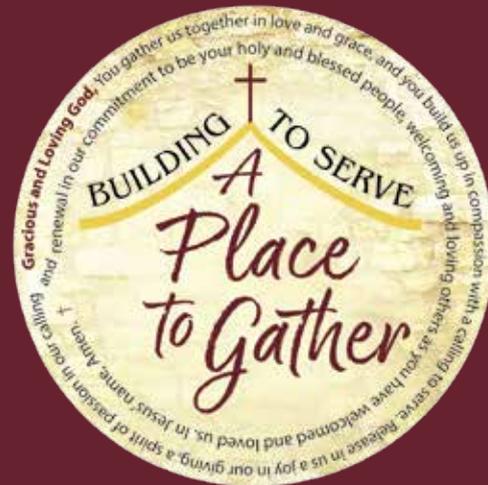

## Building to Serve

Gracious and Loving God,  
You gather us together in love and grace,  
and you build us up in compassion  
with a calling to serve.  
Release in us a joy in our giving,  
a spirit of passion in our calling,  
and renewal in our commitment  
to be your holy and blessed people,  
welcoming and loving others  
as you have welcomed and loved us.  
In Jesus' name, Amen.

**“Give generously  
and do so without a  
grudging heart; then  
because of this the  
Lord your God will  
bless you in all your  
work and in everything  
you put your hand to.”  
~Deuteronomy 15:10**

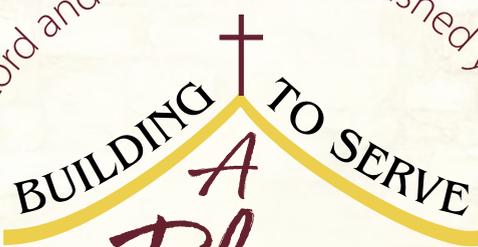

**“That’s what I consider true generosity: You give your all  
and yet you always feel as if it costs you nothing.”**

**— Simone de Beauvoir**
